

# KIPS GYMNASTICS

## Competitive Team

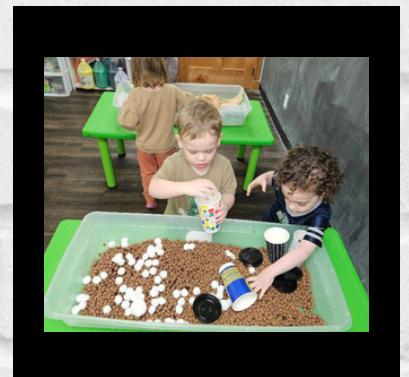

We cannot believe that it is almost Holiday Break! The girls have their first “meet” this weekend to help them prepare for the upcoming Meet Season! We’re so excited to see how much they’ve grown since Summer Session! After the meet they will be having a TEAM sleepover here at the gym which is always so much fun for the girls and the coaches!

## Gymnasts Programs

**What a great month! The gymnasts have been working so hard! Our classes have been filling up and we’re so excited to have new faces in our Recreational Programs! Christmas break is almost here and we will be having open gyms while we are on break! Please see the information below for dates and times!**

## Active Einsteins

Our Active Einsteins have had a great month! We’ve talked about all the different animals that hibernate and the animals that live in the cold! This last week before Christmas Break we’ve been having so much Holiday fun. Today we decorated cookies, played Holiday themed games and watched a Christmas movie!

# SUPERSTARS OF THE MONTH

**Gisele**

Shooting Stars

**Griffin**

Preschool Program

**Katelyn**

Advanced Recl
