

KIPS GYMNASTICS

Competitive Team

Wow did October go by fast! The girls are learning their routines and practicing each event to be prepared for the Christmas Critique Meet in December! We will finish out October with a team building activity at the corn maze! The girls love this and with our seniors it is super important to keep this tradition alive!

Our girls also did a bowling alley fundraiser this month and talk about a blast! Well done girls!

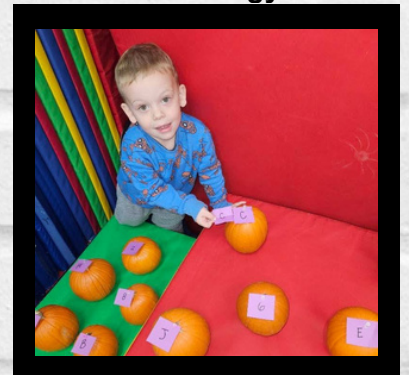

Gymnasts Programs

What a Great month! All our gymnasts are settling in and it is truly starting to show! This month has been so fun as we wrap it up with Spirit Week all the kids really had a good time dressing up and seeing the coaches dressed up and enjoying the fun ! We are getting ready for Tumble-a-thon!! This is a fundraiser that even our Rec kiddos can do! We have so much fun doing this every year, and we can't wait to see of you families there!

Active Einsteins

October was full of silly spooky fun in the Active Einsteins class. They picked and painted pumpkins, sorted spiders and counted their legs, made monster masks, and spent lots of time hanging upside down like bats! Our Einsteins also participated in the KIPS dress up days! There were super hero's, animals, princesses and ghosts, bouncing and rolling all around the gym!

K.I.P.S TUMBLEATHON!!!

We are holding a **Tumble-A-Thon fundraiser** to help finance new equipment for our gym to better instruct and give more opportunities to our gymnasts! This will help to continue building a safe and thriving environment! **Pledges can be made as a flat rate or per tumble.** The gymnasts get one minute to tumble; whether it's a roll, cartwheel, or "flip"! Parents of the participants can come and video the performance for up to 15 minutes after their last class before Thanksgiving! Collection will happen after class **We have 1st, 2nd, and 3rd place prizes for the gymnasts that raise the most money!**
